

# Pacific Graphics 2014

Oct 8 – 10, 2014 • Seoul, Korea

<http://graphics.ewha.ac.kr/PG14/>

**Pacific Graphics** is an annual international conference on computer graphics and applications. As a highly successful conference series, Pacific Graphics provides a premium forum for researchers, developers, practitioners in the Pacific Rim and around the world to present and discuss new problems, solutions, and technologies in computer graphics and related areas.

**Pacific Graphics 2014** will be held in Seoul, Korea, during October 8-10, 2014. This year, Pacific Graphics is hosted by the largest women's university in the world, Ewha Womans University. Ewha is located at the central area of Seoul, has a convenient access to and out of Seoul, and is close to shopping malls, restaurants and historical places of Seoul. Please come and join us to have a successful conference and enjoy fantastic nature of Seoul at its best season.

**Paper submission:** Original unpublished papers are invited in all areas of computer graphics and its applications. The topics include (but are not limited to) modeling, rendering, animation, and imaging, as well as visualization, human-computer interaction, and graphics systems and applications. Any interesting new ideas related to computer graphics and applications are welcome.

**Paper publication:** *The conference proceedings of Pacific Graphics 2014 will be published as an issue of the Eurographics journal, Computer Graphics Forum (CGF), in print and online.* Regular (full) papers will be presented in oral sessions and appear in the journal issue. A few submissions with strong potentials but not accepted as regular papers will be recommended for a second review cycle of CGF after major revisions. Short papers will be accepted but will be published electronically through the EG digital library. Extended versions of selected, high-quality, short papers will be invited to ACM Computers in Entertainment.
